

# Documentation Pacman an arcade game

## How to play ?

Key :

Up arrow: up

Down arrow: down

Right arrow: right

Left arrow: left

## Your aim ?

You have to get all the Pacgum without being touch by enemy. There's a progressive difficulty with each death. The opponents will be more aggressive.

## How to die ?

To die, you have to be touch by the enemy, when you're touch the game will restart at the beginning.
